**Mooi doodliggen** A.F.Th. van der Heijden 2018-11-15 29 mei 2018. Tijdens een tumultueuze vergadering van de VN Veiligheidsraad in New York, gewijd aan de MX17-ramp, wordt onder de aanwezige journalisten het bericht verspreid dat hun Russische collega Grigori Moerasjko in Kiev is doodgeschoten. Een vriend van hem, de Nederlandse oorlogsverslaggever Natan Haandrikman, besluit onmiddellijk van New York naar Kiev te vliegen om de weduwe bij te staan. Moerasjko blijkt te hebben samengespannen met de Oekraïense geheime dienst om de Russen te misleiden. Hij heeft zichzelf daarmee ongewild tot een verspreider van fake

news gemaakt. Een doodzonde in de ogen van de onafhankelijke journalistiek: bevriende collega's vallen hem massaal af, behalve Haandrikman. Het ergste is dat ook zijn geliefde Yulia zich door Grigori verraden voelt en hem verlaat.

Door iedereen verstoten keert hij naar Rusland terug om daar onverschrokken zijn onderzoek naar de toedracht van 'MX17' voort te zetten.

**De lange weg naar de vrijheid** Nelson Mandela 2017-10-21 De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela.

**The Mobile Photographer** Robert Fisher 2014-11-17 It's been said that, with smartphones, everyone is a photographer. There is a snide implication with that statement—that camera phones aren't "real" cameras and that the people who use them aren't "real" photographers. In this book, Robert Fisher proves that today's Android devices offer cameras that are remarkably powerful and more than capable of producing images that rival those made with more "serious" equipment. In this book, Fisher guides readers through the menus of the Android operating system, helping them to understand how to choose and use out-of-the-box controls for better images. Next, he covers add-on accessories and applications designed to enhance the devices' capabilities. While the photographic capabilities of the "base" camera are pretty terrific and will meet with rave reviews from many users, the camera really produces images that sing when suited up with DSLR functions, filters, and postproduction effects—all of which Fisher covers with prowess and technical skill.

De Noordzeemoorden 2 IJskoud Isa Maron 2014-12-06 Op een koude novemberdag worden de doorgewinterde rechercheur Maud Mertens en de jonge Kyra Slagter weer samengebracht door een mysterieuze zaak. Twee jonge kinderen verdwijnen op bijna hetzelfde moment. Hoewel de politie met man en macht onderzoek doet, kan dat niet voorkomen dat er de volgende dagen meer kinderen ontvoerd worden. Er is geen enkele connectie tussen de verdwijningen: ze vinden overal in West-Nederland plaats, de kinderen zijn tussen de acht en twaalf jaar oud en er wordt geen losgeld geëist. Diverse Amber Alerts leveren niets op. Hoe meer kinderen verdwijnen, hoe groter de onrust in het land wordt. Voor Mertens vormen de verdwijningen een onwelkome herinnering aan een oude zaak waarin een jong meisje slachtoffer werd. Toch maakt dit juist dat ze verbeterd achter de ontvoerders aan gaat. Kyra weet wat het is als een familielid wordt

weggerukt en je vol vragen achterblijft: ontvoerd, vermist, vermoord? De zaak spoort haar nog meer aan haar eigen vermiste zus te vinden: vier jaar geleden verdween Sarina, zonder spoor of bericht. Tot Kyra ineens een briefkaart van Sarina ontvangt. IJskoud is het tweede deel in de spannende serie De Noordzeemoorden! 'Een mooie mix van gruwel en Hollandse "gewoonheid", onberispelijk en met veel vaart geschreven.' VN Thrillergids over De Noordzeemoorden 1

**Mastering Microsoft Dynamics CRM 2016** Deepesh Somani 2017-11-28 This comprehensive guide covers all the essential features of Dynamics CRM so you can build effective applications About This Book Harness the full power of Dynamics CRM 2016 through real-world scenarios Create efficient client-side applications and customized plugins that work seamlessly across mobile and the Web Get to know the best practices from field experience to utilize Dynamics CRM 2016 efficiently Get an in-depth understanding of mobility and tablet options for Dynamics CRM 2016 Who This Book Is For This book is for those with Dynamics CRM knowledge who want to utilize the latest features available with Dynamics CRM 2016 and Update 1.
