The Journal of Military History 2004

The Night Stalkers Michael J. Durant

2006-12-28 From the New York Times

bestselling authors of In the Company of Heroes comes a thrilling account of military aviation for history buffs and “for those who love vivid tales of battlefield heroics” (Publishers Weekly). In the world of covert warfare, Special Operations pilots are notoriously close-lipped about what they do. They don’t talk about their missions to anyone outside their small community. But now, Michael J. Durant and Steven Hartov shed fascinating light on the mysterious elite commandos known as SOAR (Special Operations Aviation Regiment) and take readers into a shadowy world of combat they have only imagined.

The Youngs: The Brothers Who Built

AC/DC Jesse Fink 2014-08-05 The Youngs: The Brothers Who Built AC/DC is unlike any AC/DC book you've read before. Less a biography, more a critical appreciation, it tells the story of the trio through 11 classic rock songs and reveals some of the personal and creative secrets that went into their making. Important figures from AC/DC's long way to the top open up for the very first time, while unsung heroes behind the band's success are given the credit they are due. Accepted accounts of events are challenged while sensational new details

emerge to cast a whole new light on the band's history—especially their early years with Atlantic Records in the United States. Former AC/DC members and musicians from bands such as Guns N' Roses, Dropkick Murphys, Airbourne and Rose Tattoo also give their take on the Youngs' brand of magic. Their music has never pulled its punches. Neither does The Youngs. After 40 years, AC/DC might just have gotten the serious book it deserves.

Parameters 2004

Fear Not David Fabricius Craig Wright

2011-12-19 Have you ever been threatened or worried how to protect yourself or your family? What would you do if one day someone in your family accidentally opened the door to the wrong person? Would you come out on top when your life or your family's lives hung in the balance? Would it help if at that moment you could call upon the training, wisdom and perhaps the courage of an elite Special Forces professional? FEAR NOT was initially intended for the average Mom and POP citizen to become a better protector. It is now also recommended for, and will not disappoint, even the most experienced and best trained. Anyone can be the victim of a mugging or home invasion. You could also simply be in the wrong place at the wrong time and find yourself in the middle of a riot, a natural disaster or even a war zone.

Learn how to become that hard target against kidnap, robbery, rape or even murder. The author shows you step by step how to survive a threat while always promoting your survival and safety first. . FEAR NOT could powerfully shape a persons path and help to bring them back safe and alive. It has been called a safety manual, a reference guide and even a tactical planner. Everyone should have a copy and refer to it often. The choice is yours whether to live in fear or would you prefer to be prepared and FEAR NOT?

U.S. Counterstrike Samuel M. Katz
2004-08-01 Examines the origins, tools, techniques, and major operations of the following United States counterterrorism forces: Delta Force, Navy SEALs, CIA, FBI, and Department of Homeland Security.

De zoon van mijn moeder Joydeep Roy-Bhattacharya 2014-10-06 Een Amerikaanse legerbasis in Kandahar wordt geconfronteerd met Nizam, die het lichaam van haar broer opeist om hem een islamitische begrafenis te geven. De soldaten zijn in de war: is ze een spion, een zelfmoordterroriste of toch een rouwende zus? Zelf hebben ze ondertussen hun eigen problemen - ze verliezen collega's en vrienden aan de oorlog. Geloven ze Nizam en lukt het haar om haar broer te begraven?

Vuur en woede Michael Wolff 2018-01-20 Nog nooit is het eerste jaar van een Amerikaanse president zo stormachtig verlopen als dat van Donald Trump. Journalist Michael Wolff wist door te dringen tot de binnenste kringen van het Witte Huis en sprak er met tweehonderd ooggetuigen. In *Vuur en woede* vertelt hij het ware verhaal van de opvliegende en onvoorspelbare president en zijn entourage. *Vuur en woede* is een onschatbare bron van nieuwe informatie over de chaos rondom Donald Trump. Michael Wolff beschrijft onder meer wat Trumps medewerkers werkelijk van hem vinden; wat Trump ertoe bewoog om te beweren dat hij door zijn voorganger Obama werd afgeluisterd; wat de ware reden was van het ontslag van James Comey als FBI-directeur; wie het

brein van Trumps regering is na het ontslag van Steve Bannon; en hoe je tot Trump moet doordringen. Nooit eerder heeft een Amerikaanse president zijn landgenoten zo tegen elkaar opgezet. En nooit eerder heeft een boek over een president zo veel stof doen opwaaien. *Vuur en woede* is het briljant geschreven, adembenemende relaas van een jaar van machtsstrijd en verdeeldheid in het machtigste land ter wereld. Michael Wolff schreef reeds zes boeken en schrijft voor onder meer *Vanity Fair*, *New York*, *USA Today* en *The Guardian*. Hij woont in New York en heeft vier kinderen.

Crosshairs on the Kill Zone Charles W. Sasser 2004-07-01 From the jungles of Vietnam to the unforgiving deserts of Afghanistan and Iraq, one breed of soldier has achieved legendary status in the arena of combat—the sniper. From the authors of the classic sniper chronicle *One Shot-One Kill* comes a new generation of true tales from some of the most expert and deadly marksmen in the world. Meet Adelbert Waldron II, whose 109 confirmed kills in Vietnam made him the most successful sniper in American military history, and Tom "Moose" Ferran, who coined the term "Fetch!", whereupon the infantry would retrieve the sniper's dead quarry. Also included are stories from snipers in Beirut, the Bosnian conflict, and both wars with Iraq—including the feat of Sergeants Joshua Hamblin and Owen Mulder, who took down thirty-two enemy soldiers in a single day outside Baghdad in 2003. The military sniper has evolved into one of the most dangerous and highly-skilled warrior professions. They suffer through weather, terrain, and enemy action, lay unmoving for days on end, and take out their targets with unerring accuracy—proving that the deadliest weapon in any battle, anywhere in the world, is a single well-aimed shot.

De tirannie van verdienste Michael Sandel 2020-09-22 De grootste hedendaagse filosoof over waarom de populisten gelijk hebben 'Als we de gepolariseerde hedendaagse politiek achter ons willen laten, dienen we op de tast onze

weg te zoeken en goed na te denken over wat mensen toekomt. Hoe komt het dat de betekenis van succes en verdienste de afgelopen decennia zo sterk veranderd is, en wel zodanig dat arbeid sterk aan waardigheid heeft ingeboet en veel mensen het gevoel hebben dat de elites op hen neerkijken?' - Michael J. Sandel

Bestsellerfilosoof Michael Sandel maakt de balans op van de democratie. Veel mensen voelen zich niet meer vertegenwoordigd door de bestuurlijke elites en wenden zich tot populistische leiders en partijen. Het probleem is dat onze samenleving mensen met een hogere opleiding onevenredig beloont en de rest terzijde schuift. Dit is de tirannie van verdienste. Sandel gaat na in hoeverre de aanklacht van 'het volk' tegen de elites terecht is. Waarom zou iemand met een universitaire opleiding meer over het algemeen welzijn mogen zeggen dan een persoon met een vmbo-diploma? Is dat rechtvaardig? 'De tirannie van verdienste' is een belangrijk boek voor iedereen die de democratie aan het hart gaat.

Vietnam Medal of Honor Heroes Edward F. Murphy 2010-11-17 More than 100 compelling, true stories of personal heroism and valor- in a special expanded edition honoring courage in the face of war Here are dramatic accounts of the fearless actions that earned American soldiers in Vietnam our highest military distinction-the Medal of Honor. Edward F. Murphy, head of the Medal of Honor Historical Society, re-creates the heroic acts of individual soldiers from official documents, Medal of Honor citations, contemporary accounts, and, where possible, interviews with survivors. Complete with a list of all Vietnam Medal of Honor recipients, this book offers a unique perspective on the war-from the early days of U.S. involvement through the return home of the last soldiers. It pays a fitting tribute to these patriotic, selfless souls.

The Youngs Jesse Fink 2014-09-22 "A largely untold, much more controversial story... anything but a hagiography. A fresh, incisive take on the band." - MOJO ****
"Fink's ability to overcome the Youngs'

code of Scottish-Australian omert? is impressive... a cut above other AC/DC tomes, and Fink knows it." - Classic Rock **** 1Z2 With sales of over 200 million albums, AC/DC is not just the biggest rock band in the world, it's a family business built by three brothers: George, Malcolm and Angus Young. As with any business, some people prospered, while others got hurt along the way. **The Youngs: The Brothers Who Build AC/DC** is unlike any AC/DC book you've read before. Less a biography, more a critical appreciation, it tells the story of the trio through 11 classic songs and reveals some of the personal and creative secrets that went into their making. Important figures from AC/DC's long journey to the top open up for the very first time, while unsung heroes behind the band's success are given the credit they are due. Accepted accounts of events are challenged while sensational new details emerge to cast a whole new light on the band's history - especially their early years with Atlantic Records in the United States. Former AC/DC members and musicians from bands such as Guns N' Roses, Dropkick Murphys, Airbourne and Rose Tattoo also give their perspectives on the Youngs' brand of magic.

Personal Ethics and Ordinary Heroes Michael J. DeValve 2020-11-29 **Personal Ethics and Ordinary Heroes: The Social Context of Morality** examines what it means to be an authentic hero and provides real-life narratives that underscore the ethical principles guiding decision-making in the justice system and beyond. This engaging work revolves around a collection of excerpts from students studying ethics and social justice. The essays were responses to an invitation to write about and discuss a hero in their lives who motivated them to be more just, compassionate and morally responsible persons. These essays, collected over several years, portray shared meanings of heroism rooted in themes like sacrifice, perseverance and wisdom. The authors set student narratives in dialogues related to ethics and leadership that are both entertaining and useful for

contemporary students and practitioners. This book illustrates the lessons of ethics in criminal and social justice practice and makes them tangible to students. Fostering the benefits of experiential learning, it brings real meaning to students of criminal justice as well as professionals in the criminal justice field and other areas of human and social service practice. It is an essential accompaniment to primary texts used in ethics courses and training seminars. This book is intended for use in undergraduate classes in applied human sciences and services like criminal justice, criminology, social work and political science. It is particularly well-suited for classes in the areas of ethics, organizations and administration, and leadership. It is also worthwhile reading for the active justice practitioner.

Wintertij Michael J. Sullivan 2014-04-22
Michael J. Sullivan, De Openbaringen van Riyria 5 - Wintertij Met zijn boeken over het sluwe roversduo Rolf Molenbeek en Hadriaan Zwartwater wist fantasy-talent Michael J. Sullivan in korte tijd naam te maken als de nieuwe koning van de bondige fantasy-roman. In dit vijfde boek uit De Openbaringen van Riyria gaan de onweerstaanbare dieven opnieuw op pad, maar dit keer niet voor een beloning. Dit keer staat er meer op het spel. WINTERTIJ Het Nieuwe Keizerrijk is van plan haar overwinning op de Nationalisten met veel vertoon te vieren. De aanstaande heerser heeft zijn persoonlijke feestdag tot in de puntjes voorbereid: tijdens de Wintertijfestiviteiten zal hij eerst met de keizerin trouwen, daarna worden Degan Gaunt en de Heks van Melengar publiekelijk geëxecuteerd, en vervolgens zal hij zijn kersverse bruid om het leven brengen en het op een ongeluk laten lijken. Het is allemaal perfect gepland. Er is echter één ding waar de nieuwe keizer niet aan heeft gedacht: het roversduo Rolf Molenbeek en Hadriaan Zwartwater. Het tweetal heeft eindelijk de verdwenen

erfgenaam van het rijk gevonden. En dat verandert alles...

Ban Bak: A Historian's Notebook, 2014 Nail 213 2015-05-21 Col Matheson is dual rated Vietnam Veteran with 1289 combat hours in the EC-121R "BATCAT" and 139 combat mission as a NAIL FAC, with the 23rd TASS over North Vietnam the Laos. He continued to fly combat support missions from Travis AFB, California until the Vietnamese capitulation in 1975, in the C-141 and C-5A. Eventually he accrued a career total of 14,000 flight hours of military and civilian flight time. His many medals include the Humanitarian Service Medal and Vietnamese Service Medal with four battle stars. Col Matheson is a graduate of Utah State University in Engineering, he entered the Air Force with Class 67-H at Laughlin AFB, Texas, graduated from the Air Force Institute of Technology at WPAFB, Ohio, received his Master's Degree in residence at Auburn University AL, and was a Distinguished Graduate of Air War College, Air University, Maxwell AFB, Alabama.

Canadian Heroes Gr. 5-8

Air & Space Smithsonian 2003

Mars Andy Weir 2014-05-22 Apollo 13 en Gravity meet Cast Away! Mark Watney is een van de eerste astronauten om voet op Mars te zetten. Hij zal waarschijnlijk ook een van de eersten zijn om er te sterven. Astronaut Mark Watney is uitverkoren om als een van de eerste mensen voet op Mars te zetten. Hij zal waarschijnlijk ook een van de eersten zijn om daar te sterven. Nadat een zandstorm hem bijna fataal wordt en de overige bemanning, die ervan overtuigd is dat hij is omgekomen, zich gedwongen ziet de planeet te verlaten, bevindt Watney zich miljoenen kilometers van de rest van de mensheid verwijderd. Hij heeft geen enkele mogelijkheid om een signaal naar de aarde te versturen en zelfs als dat wel mogelijk zou zijn, zouden zijn voorraden opraken lang voordat een reddingsmissie hem zou kunnen bereiken. Bovendien krijgt hij waarschijnlijk niet eens de kans om te verhongeren. De dreiging van het defecte materieel, de vijandige omgeving op Mars of een simpele menselijke fout, kunnen hem

eerder fataal worden. Maar Watney vertikt het op te geven. Gedreven door zijn inventiviteit, zijn technische kennis en een hardnekkig weigeren om op te geven probeert hij vastberaden het ene obstakel na het andere te overwinnen. Zal zijn vindingrijkheid genoeg zijn om tegen beter weten in te overleven? `Briljant, en uitermate meeslepend. The Wall Street Journal

In The Company Of Heroes Michael J Durant 2014-07-30 In the autumn of 1993, American special forces were dispatched to the famine-stricken land of Somalia. Their intervention in this war-torn country was the most dramatic US military action since Vietnam. A routine mission went horribly wrong when Michael Durant's Black Hawk helicopter was shot down over Mogadishu and he was quickly surrounded by Somali troops and taken captive. The brutal torture he underwent was made all too clear to the world when his coerced statements were broadcast on live television and his battered face appeared on the cover of magazines around the globe. Michael Durant's ordeal was first described in Mark Bowden's international bestseller *Black Hawk Down* and the critically acclaimed film of the same name. This, his first-person gripping account tells of bravery under fire, torture, imprisonment, and the terrifying day by day reality for a soldier, unarmed and helpless in enemy hands, fighting to survive.

Summary of Michael J. Durant & Steven Hartov's In The Company Of Heroes

Everest Media, 2022-06-04T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book

Insights: #1 I woke up in the silence of my own grave. The chopper had come down like Dorothy's house in *The Wizard of Oz*, spinning fast, falling even faster, and finally slamming its nine tons of steel into the hard-packed ground. #2 I was aware of the sounds of gunfire in the distance, the chatter of small arms, and the ominous double booms of RPGs. I was prepared to battle the Somalis. #3 The crash site was defended by the Best of the Best, and it seemed like everything was going to be

fine. However, Shughart and Gordon were the last hope to defend the crash site, and they were shot down soon after. #4 I was badly injured and scared, but I did not want to fall into the hands of the Somalis. I was terrified of what they might do to me.

Books Emanuel Prozano 2004-05 BOOKS: The Quick and Easy Way to Select the Best will guide you to the "Best" books published during the first three years of the 21st century. Titles were drawn from: bestseller lists published by the traditional media, "top sellers" from major online booksellers, award-winning books, books recommended by book clubs and books recommended by national television/radio personalities.

Designed for adult readers, many titles would also be suitable reading for high school and middle school students. BOOKS has three sections. Sections I and II include bestsellers cited in print and electronic sources. Section III focuses on other useful sources that will help you find "Best" books: Book and Media Vendors Online, Television/Radio Programs, Book Awards and Book Clubs. Equipped with BOOKS you can go to your local bookstore, library, retail store or online with specific titles in mind. The choices you make will suit your interests and needs; the time you save will be yours. Number of bestsellers cited-635 Number of fiction bestsellers-363 Number of nonfiction bestsellers-272 Mysteries-the most populated fiction category-101 U.S. Government, politics-the most populated nonfiction category-34

The Army Lawyer 2006

Military Law Review 2010

Enduring the Freedom Sean M. Maloney 2005 Within hours of the September 11 attacks, Sean M. Maloney deciphered that Osama bin Laden and al Qaeda were the aggressors behind the despicable act. A war in Afghanistan then was inevitable. As a military historian, Maloney was determined to go there to study and record the events for posterity, if for no other reason than the education of his future students at Canada's Royal Military College. What resulted is an in-depth and up-close look at the planning stages, deployment, and aftermath of

Operation Enduring Freedom in Afghanistan. In *Enduring the Freedom*, Maloney presents a rare on-the-spot view from such important locations as Kabul, Bagram, and Kandahar. He describes the American-led intervention in Afghanistan and the conduct of the war through early 2003, then discusses the events of 2003 from the three locales in detail. Some critics contend that the war in Afghanistan is another Vietnam. Maloney rebuts that appraisal, pointing out that as opposed to the vague language of the Vietnam era, American objectives were clearly stated for Afghanistan. Those objectives were: to destroy al Qaeda's networks, training camps, resources, and communication systems; to destroy any governmental entity providing support or sanctuary to al Qaeda; and to undertake reconstruction efforts to ensure international terrorists can never again use the country as a base. The first objective has more or less been achieved. How to accomplish the last two is still widely debated, and Maloney offers some insightful thoughts and opinions. Finally, he offers educated advice going forward in the hopeful completion of Operation Enduring Freedom.

Self-Leadership Christopher P. Neck 2016-06-17 Written by the scholars who first developed the theory of self-leadership (Christopher P. Neck, Charles C. Manz, & Jeffery D. Houghton), *Self-Leadership: The Definitive Guide to Personal Excellence* offers powerful yet practical advice for leading yourself to personal excellence. Grounded in research, this milestone book is based on a simple yet revolutionary principle: First learn to lead yourself, and then you will be in a solid position to effectively lead others. This inclusive approach to self-motivation and self-influence equips readers with the strategies and tips they need to build a strong foundation in the study of management, as well as enhancing their own personal effectiveness.

Life Stories: A Guide to Reading

Interests in Memoirs, Autobiographies, and Diaries Maureen O'Connor 2011-08-23 Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. • A list of subjects and suggested "read-alikes" accompany each title • Appendixes cover awards, websites, and resources • Detailed indexes provide further points of access

Day of the Rangers Leigh Neville 2018-09-20 On October 3, 1993, Task Force Ranger was dispatched to seize two high-profile lieutenants of a Somali warlord. Special Forces troops were transported by ground vehicles and helicopters, and the mission was meant to be over within the hour. They quickly found themselves under heavy fire, and two Black Hawk helicopters were shot down. With a hastily organized relief column many hours away, the American troops faced a desperate battle for survival. Focusing on the stories of the soldiers on the ground, and in the air, *Day of the Rangers* reveals the experiences and recollections of the Special Forces units, including the Rangers, Delta operators and Nightstalker crews who fought in the battle of Mogadishu. Published to mark the battle's 25th anniversary and using recently declassified documents and new interviews with many of the participants, *Day of the Rangers* is a fascinating and revealing new history of a battle that would influence American Special Forces for decades to come.

Kleine bij Chris Cleave 2009-10-31 Op een mooi strand wacht een verhaal op een verteller. Het verhaal maakt je aan het lachen. Het ontroert je, het schokt je en het vervult je met afschuw. Maar steeds weer zul je terugkeren naar dat strand. Keer op keer. We willen je eigenlijk niet vertellen waar dit boek over gaat. Het is een uiterst bijzonder verhaal en we willen je leesplezier niet verpesten. Maar toch moet

je genoeg weten om het boek te kunnen kopen, en daarom vertellen we je dit: Dit is een verhaal over twee vrouwen. Ze hebben elkaar ontmoet op een paradijselijk Afrikaans strand, en een van hen heeft een verschrikkelijke keuze moeten maken. Twee jaar later ontmoeten ze elkaar opnieuw, en dat is waar het verhaal begint. Op het moment dat je begint te lezen, wil je je vrienden erover vertellen. Maar vertel hun alsjeblieft ook niet waar dit boek over gaat. Door de magie van het boek komen ze het vanzelf te weten. Chris Cleave (1974) woont in Londen en is columnist voor The Guardian. Zijn eerste boek werd vertaald in twintig landen en bekroond met verschillende internationale prijzen. Kleine Bij is zijn grote doorbraak. Het karakter en de stem van Kleine Bij laten Cleave van zijn beste kant zien. (...) Een aangrijpende geschiedenis van de menselijke triomf. the new york times Een buitengewone roman met snelle en scherpe dialogen, een emotioneel geladen plot en een ethische strijd van de overtuigende personages. the independent De stem die spreekt vanaf de eerste bladzijde van Chris Cleave's Kleine Bij is een stem die je nog nooit hebt gehoord _ het is de stem van een slimme, behoedzame en ontmoedigde immigrant, getekend door haar verschrikkelijke verleden. (...) Lees deze urgente, wrange en grappige roman om inzicht te krijgen in de kracht van de mensheid, een kracht die angst kan ontwapenen. Zonder twijfel het beste boek van het jaar. metro

De laatste Punisher Kevin Lacz 2017-10-14 'De laatste Punisher neemt je mee naar het heetst van de strijd op het slagveld. Een zeldzaam inkijkje in de geest van een Navy SEAL - je kunt het niet weggelassen.' - Clint Emerson, New York Times-bestsellerauteur van 100 Deadly Skills De laatste Punisher is het aangrijpende en persoonlijke verslag van Kevin Lacz, een Navy SEAL die samen met American Sniper Chris Kyle lid was van het beruchte SEAL Team 3. Lacz neemt de lezer mee op zijn uitzending; van zijn eerste missie tot zijn eerste succesvolle schot op een terrorist, tot zijn terugkeer naar de Verenigde Staten, waar hij zichzelf speelde

in de door Clint Eastwood geregisseerde film American Sniper. Het hoogtepunt van deze unieke kijk in de wereld van geheime missies achter vijandelijke linies, is de bloedige strijd om de Iraakse stad Ramadi in 2006. De hitte, de geuren en de constante dreiging van dodelijke aanvallen komen door de levendige schrijfstijl tot leven, en zorgen ervoor dat de lezer zich midden in de gebeurtenissen waant.

Infantry 2005

A Night with Saddam Mark E. Green 2010-05-01 A special OPs flight surgeon's interview with Saddam Hussein on the night of his capture and the missions which led to their meeting.

13 Hours Mitchell Zuckoff 2016-01-29 Lange tijd werd gedacht dat een anti-islamfilm tot spontane rellen had geleid, die uitliepen op een kleine opstand waarbij de ambassadeur van de Verenigde Staten in Libië om het leven kwam. In 13 Hours beschrijft New York Times-bestsellerauteur Mitchell Zuckoff voor de eerste keer wat er in de nacht van 11 september 2012 écht gebeurde: hoe een handvol mannen zichzelf geconfronteerd zag met een georganiseerde groep terroristen die doelgericht de ambassade aanvielen. 13 Hours is verfilmd door Michael Bay met onder andere John Krasinski en James Badge Dale. Op 11 september 2012 vielen terroristen het US State Department Special Mission Compound in Libië aan, in de stad Benghazi. Ook het geheime CIA-hoofdkwartier kwam onder vuur te liggen, waarop een team van zes ex-militairen, ingehuurd om de veiligheid van de Amerikaanse ambassadeur en burgers te waarborgen, een moeilijke beslissing moest nemen: zich overgeven of vechten tegen een enorme overmacht. In een tijdsbestek van 13 uur gaven zij blijk van een uitzonderlijke moed en dapperheid, om een grotere tragedie te voorkomen. 13 Hours is het aangrijpende, waargebeurde verhaal van zes dappere mannen die tegenover een enorme overmacht kwamen te staan in Benghazi en weigerden zich over te geven. *In The Company Of Heroes* Michael J. Durant 2004-05-04 Piloting a U.S. Army

Special Operations Blackhawk over Somalia, Michael Durant was shot down with a rocket-propelled grenade on October 3, 1993. With devastating injuries, he was taken prisoner by a Somali warlord. With revealing insight and emotion, he tells the story of what he saw, how he survived, and the courage and heroism that only soldiers under fire could ever know.

Here Rests in Honored Glory Andrew J. Dekever 2012-01-14 Merriam Press Military Monograph 15. Second Edition (January 2012). What is the definition of a "hero" in contemporary American society? What qualifies as a "heroic" act? What is the proper way to honor those individuals on whom we bestow the title of "hero"? With U.S. military personnel at war in Iraq, Afghanistan, and elsewhere, these questions take on greater relevance today than they did in the years that immediately preceded the terrorist attacks of September 11, 2001. Although acts of valor take place daily on the battlefields of the Global War on Terrorism, the United States is struggling to find the right answers to these questions about heroism in the 21st century. In Here Rests in Honored Glory, Andrew DeKever, a veteran of the Iraq War, tackles these very issues. Chronicling the lives of ten recipients of the Medal of Honor, our nation's highest award for combat heroism, DeKever breaks ranks from similar books by focusing more on describing the men behind the uniform rather than on the few minutes of valor that immortalized them in the pages of American military history. As a result, Here Rests in Honored Glory reminds its readers that true heroes are ordinary men and women who, under the most horrific of circumstances, are able to dig deep and find the raw courage necessary to be brave "above and beyond the call of duty" towards protecting other people and serving a cause greater than themselves. By telling the ordinary lives of these extraordinary heroes, Here Rests in Honored Glory serves as a powerful reminder that all people, no matter what their background, possess the same

potential for courage and self-sacrifice—attributes that should be devoted towards improving the nation these men risked and sacrificed their lives to protect. From the Preface by Michael J. Durant, Chief Warrant Officer 4 (ret.), U.S. Army, author of "In The Company Of Heroes" and "The Night Stalkers": "Gary Gordon's selfless actions and personal sacrifice, the sacrifice of each of the heroes chronicled in this work, and the sacrifices of countless others throughout our nation's history, can never be repaid, only honored. In researching each of these heroes and capturing the details of each of their lives, Andrew has done just that. I now understand not just what Gary Gordon did, but who he was. I can appreciate what drove him to serve in the Special Forces units he volunteered for and what drove him without hesitation to sacrifice his life for my crew. Through this work, Andrew has honored Gary and all of these men, their families, and their comrades. By helping us all understand the people behind these incredible stories, he's done this nation a great service."—Michael J. Durant Chief Warrant Officer 4, U.S. Army (Ret.) Contents: Preface by Michael Durant; Prologue; Chapter 1: History of the Medal of Honor; Chapter 2: The Civil War; Second Lieutenant Robert Buffum; Brevet Major John T. WASDIN O Seal Team Six (ST6) é uma unidade 'clandestina', encarregada de ações

antiterrorismo, resgate de reféns e neutralização de insurreições. Sua existência foi mantida sob estrito sigilo, entretanto, ao matar Osama bin Laden, os efetivos envolvidos na operação foram expostos ao foco das atenções mundiais. Neste livro, Howard Wasdin, um ex-atirador do ST6, tem o intuito de levar o leitor às profundezas do interior do mundo dos SEALs. O autor procura descrever o complexo processo ao qual um SEAL é submetido para chegar a integrar esta 'elite dentro da elite'.

Under The Wire William Ash 2015-09-24
Determined to take on the Nazis, Texan Bill Ash joined the Royal Canadian Air Force in 1939 and in so doing sacrificed his citizenship. Before long, he was sent to England where he flew Spitfires. Shot down over France in March 1942, he survived the crash-landing and, thanks to local civilians, evaded capture for months only to be betrayed to the Gestapo in Paris. Tortured and sentenced to death as a spy, he was saved from the firing squad by the Luftwaffe who sent him to the infamous 'Great Escape' POW camp, Stalag Luft III. It was from there that Bill began his 'tour' of Occupied Europe. Breaking out of a succession of camps, he became one of only a handful of serial escape artists to attempt more than a dozen break-outs - over the wire, under it in tunnels, through it with cutters or simply strolling out of the camp gates in disguise! They were years of extraordinary hardship, frustration and brutality - the penalty for escaping was a long spell in solitary - but throughout it all Bill Ash displayed not just remarkable courage but also an anarchic sense of humour, great humanity and an

unstoppable desire for freedom. Honest, funny and exciting, *Under the Wire* is both a riveting war memoir and a tribute to the bravery and resolve of an entire generation.

United States Special Operations

Forces Christopher J. Lamb 2019-11-19
In this book, two national-security experts put the exploits of America's special operation forces in historical and strategic context. David Tucker and Christopher J. Lamb offer an incisive overview of America's turbulent experience with special operations. Starting with in-depth interviews with special operators, the authors illustrate the diversity of modern special operations forces and the strategic value of their unique attributes. Despite longstanding and growing public fascination with special operators, these forces and their contribution to national security are poorly understood. With this book, Tucker and Lamb dispel common misconceptions and offer a penetrating analysis of how these unique and valuable forces can be employed to even better effect in the future. The book builds toward a comprehensive assessment of the strategic utility of special operations forces, which it then considers in light of the demands of future warfare. This second edition of *United States Special Operations Forces*, revised throughout to account for lessons learned in the twelve years since its first publication, includes two new case studies, one on High Value Target Teams and another on Village Stability Operations, and two new appendixes charting the evolution of special operation missions and the best literature on all aspects of U.S. special operation forces.
