**Rework** Jason Fried 2010-10-11 Twee succesvolle ondernemers die het softwarebedrijf signals opzetten en tot een succes maakten laten ons zien dat niet altijd meer beter is, maar dat je juist met minder meer kan bereiken. Rework is inspirerend en innoverend. Twee prettig tegendraadse succesvolle ondernemers benaderen complexe zaken heerlijk eenvoudig. Fried & Heinemeier Hansson zetten je aan het denken en helpen je op weg. Verplichte kost voor iedereen die ondernemer of ondernemend is.' Erwin Blom (Handboek Communities)Meer is niet altijd beter, juist met minder kan je meer bereiken.Fried en Hansson hanteren een eenvoudige bedrijfsfilosofie: hou het simpel, wees transparant en eerlijk. Met die filosofie in gedachten schreven ze dit boek: Rework is een no-nonsenseboek voor deze tijd. Fried en Hansson bewijzen dat een bedrijf heel succesvol kan worden zonder mission statement, zonder eindeloze vergaderingen, en met medewerkers die gewoon aan het einde van de dag naar huis gaan, in plaats van twaalf tot veertien uur op kantoor te zitten. In deze tijd is een goed idee meer waard dan een duur consultancyrapport, informatie moet je delen, en naar je klant moet je luisteren.Rework is het boek voor iedere (startende!) ondernemer.

**Slam-Dunk Success** Byron Scott 2017-04-25 Great leadership begins with great understanding. No one knows that better than basketball legend Byron Scott and lifelong business executive Charlie Norris who, respectively, won NBA championships and resurrected multimillion-dollar corporations by being team players no matter their position. Whether it's on the basketball court, in the boardroom, or in everyday life, getting to the heads and hearts of people is paramount to getting the most out of them. In SLAM-DUNK SUCCESS, Scott and Norris share their parallel formulas for victory and prove that, with the right tools, winning can happen anywhere. As a player Scott won three championships with the Los Angeles Lakers, and as coach he twice took the New Jersey Nets to the NBA Finals and won Coach of the Year honors with the New Orleans Hornets. With every team his role changed, but his winning mentality never faltered. As CEO of McKesson Water, Charlie Norris turned a \$200 million-dollar company into a company that sold ten years later for \$1.1 billion dollars and, as chairman of the board of Freshpet, he helped lead the start-up from early stage testing to become a publicly traded company with a market value of over \$350 million. In each job, he led with the same amount of conviction and care. Their book--which grew from their unlikely friendship and realization that two men from completely different backgrounds could have the same leadership ideals--breaks down their keys to motivating others, negotiating deals, and creating prosperity from scratch. Their blueprint includes lessons on listening, turning failure into learning opportunities, and delegating authority with extreme precision. Leadership is a full-time job and Byron Scott and Charlie Norris's story is a guidebook for leaders in all fields and in any position looking to better both their careers and lives. Champions are formed when people make those around them better and this book shows how you can be a winner every day.

**The Storyteller's Secret** Carmine Gallo 2016-02-23 How did a Venice Beach T-shirt vendor become television's most successful producer? How did an entrepreneur who started in a garage create the most iconic product launches in business history? How did a timid pastor's son overcome a paralyzing fear of public speaking to captivate sold-out crowds at Yankee Stadium, twice? How did a human rights attorney earn TED's longest standing ovation, and how did a Facebook executive launch a movement to encourage millions of women to "lean in"? They told brilliant stories. In The Storyteller's Secret: From TED Speakers to Business Legends, Why Some Ideas Catch on and Others Don't, keynote speaker, bestselling author, and communication expert Carmine Gallo reveals the keys to telling powerful stories that inspire, motivate, educate, build brands, launch movements, and change lives. The New York Times has called a well-told story "a strategic tool with irresistible power" - the proof lies in the success stories of 50 icons, leaders, and legends featured in The Storyteller's Secret: entrepreneurs like Richard Branson, Sara Blakely, Elon Musk, Steve Jobs, and Sheryl Sandberg; spellbinding speakers like Dr. Martin Luther King, Jr., Bryan Stevenson, and Malala Yousafzai; and business leaders behind famous brands such as Starbucks, Southwest Airlines, Wynn Resorts, Whole Foods, and Pixar. Whether your goal is to educate, fundraise, inspire teams, build an award-winning culture, or to deliver memorable presentations, a story is your most valuable asset and your competitive advantage. **Mark Cuban Roots** Therlee Gipson 2015-08-22 Introduction I, Therlee Gipson was touched and sadden to learn that six million Jews (and five million non-Jews) went to their deaths under the hands of the Nazi exterminators. This means that half of all the Jews in Europe and a third of all the Jewish people on Earth perished in the Holocaust. This historical lesson of man's inhumanity to man must never be forgotten and today, thanks to Holocaust Museums in Cities around the World and movies like "Schindler's List," the message is being kept alive. Auschwitz, the most infamous Death Camp, was liberated on January 27, 1945. The stories of that came forth from those who liberated the Camps were at first dismissed as too horrible to be true. But as each succeeding Camp was liberated, it became impossible to deny the reality of it all. To this day the World continues to ask, how could such things happen in modern times? Even more frightening is the realization that the same forces which gave rise to the Holocaust are operating in our World today, like racism. Accounting for the Holocaust, deciphering and explaining the social and moral conditions that led up to it, has prompted all sorts of theories. It is more than an academic question for if the same conditions occur again will we be able to forestall another Holocaust? Also, how could one of the World's most advanced Nations become the seat of such cruelty and depravity? I was touched when Mark Cuban told Dale Hansen where his Roots began. Mark is a good honest man that I admire, no matter where his ROOTS began. He made wise decision in his lifetime and God has blessed him to become successful. We all should admire him and be proud of him. He deserve praise and I wish him many more blessing in the future. We all depend on each other. So, I want the United State and other Civilized Societies to focus on the madness that's going on in our major Cities as I compile this book. This can be solved if sensible people from all walks of life get together and fight this demon with knowledge and resistance. Let's not let history repeat itself. Therlee Gipson
