The Happiness Habit Brian Colbert 2010-03-05 Whatever you want from life, this book will have a benefit for you. A key element to finding happiness is understanding what your (often unconscious) basic drives are and ensuring that these are being satisfied. Brian Colbert addresses the core questions that will help you discover who you really are. In this book he will teach you how to get past what's stopping you from reaching your true potential and how to bring about lasting happiness into your life. Many of us think that in order to change, we need therapy. This is not always the case – you may just need this book. Using a series of powerful mind exercises, The Happiness Habit shows you: How to improve your relationship with yourself (and others) How to build your confidence and stay positive How to face adversity and overcome challenges How to live a happier and more fulfilling life. Research is increasingly proving that traditional methods of exploring negative experiences from your past doesn't necessarily help you to move forward. The exercises in this book will help you train your brain to replace

constant self-criticism and depreciation with more useful ways of thinking. Brian will teach you the skills, ability, direction and focus to develop the habit of happiness. This book gives you all the tools you need to lead a happier life. **NLP Fred Cremona 2016-05-22 Have you been struggling with trying to change behaviors but seen no real success? How to be Confident David Molden 2008 "People often confuse confidence with familiarity. It's easy to be confident when you know people or when you have been doing a job or hobby for some time. But what happens when you enter unfamiliar situations? True confidence is being comfortable enough to engage with the unknown and have a go. How to be Confident using the Power of NLP will take the confidence you already have in a familiar context and transfer it to situations where it's lacking. By learning a series of practical techniques you will create new and permanent states of mind and behaviours, enabling you to call on a core of inner confidence at any time. This book will: clarify the meaning of true confidence by using real life examples; explain where lack of confidence comes from and how it manifests itself; help people to realise they are not alone; provide practical, step by step, solutions for removing confidence barriers; make people feel good about themselves when they enter unfamiliar territory."--Global Books in Print. **Gain Self-Confidence Fast With NLP** Ian Tuhovsky 2014-02-11 Do you lack self-confidence to accomplish things in your life you would really like to? -Are you afraid of quitting boring job and finding a new, better one or maybe starting your own business? -Afraid of socializing and meeting new, fascinating and positive people? -Afraid of finally packing your suitcase and going to that Euro-trip you promised yourself decades ago? -Afraid of approaching that beautiful girl sitting on a park bench next to your accepting a date from that handsome devil you've met lately? -Not feeling worthy enough to ask for a promotion? A Better Life Nilima Hamid There are times in our lives when we all feel confused and overwhelmed. The advice in this book can help you deal with specific emotional problems. This book provides support for those suffering from mental distress and unable to get immediate medical or psychological help. The book covers a comprehensive range of emotional disorders. The advice is intended to be the first step to recovery. Cognitive Behaviour Therapy (CBT) empowers you to understand the problem in a way that will maximise your potential to tackle future obstacles and become more independent. You will be successfully helped to mobilise your own resources, and improve your sense of self-effectiveness, by being enabled to attribute the cause of change to your own efforts. CBT concentrates on the connections between a person's thoughts about themselves or a situation and how this affects feelings and behaviour. Together the patient and therapist work to understand and alter the negative thinking and behaviour that result in distress and prevent the patient from living a normal life. CBT can be used for a variety of disorders and aims to tackle the root cause of the illness, reducing the need for drugs at all in some cases. For other illnesses, CBT is being developed as a partner for drugs. 'A Better Life' includes information, tools and exercises to enable you to gain insight into your problems; start making changes for the better; recover and move forward with confidence and prevent relapses so you maintain your progress. You will experience an increase in power and control over your problems from gaining a different perspective and examining the roots of your problems. As your self-awareness and personal insight develop, you will feel new energy and self-acceptance. By exploring your thoughts, feelings and behaviour you will be able to face decisions and choices on your own more resourcefully. You will find the opportunity to make sense of your life and be able to plan changes that will make a difference to your future.

Public Speaking Robert Clark The first thing that this book will teach you is how to overcome the edginess in you. You must know that even the experienced public speakers do get the nerves sometimes so consider this as a normal reaction but must be eliminated from your system. Getting over the shyness is tantamount to learning the techniques of mind control. It goes like once you face the audience you can instantly focus your mind on your own speech and speak in your own world. Basically, this is what the professional public speakers do. They know how to control their minds and their nerves to get that extreme confidence. "Public Speaking: Mastering the Fundamentals To Overcome Anxiety and Gain Confidence" will also teach you the better ways in preparing for your speech prior to the actual day of the event. You will also be trained to familiarize yourself with your surroundings and even how to visualize the venue of your speech while doing your practice speech. Experts in public speaking also do this kind of technique.

EBOOK: NLP Coaching Philip Hayes 2006-11-16 What are the links between NLP (Neuro-Linguistic Programming) and coaching? How can an NLP-influenced approach help to coach clients effectively? How can a coach use NLP approaches with confidence? This book is a practical guide for executive coaches who would like to introduce elements of NLP into their coaching. NLP can be used to help individuals attain high performance in their lives and work, and this book allows practising coaches to utilise an NLP approach to achieve outstanding results for their executive clients. Based upon skills developed by the author over many years, the book describes a practical NLP-influenced approach to some of the issues that arise most frequently in executive coaching, such as: Career or life development issues Issues of confidence in the workplace Relationship issues Goal-setting Resolution of dilemmas There is clear description of what executive coaching actually is, and a similar description of NLP, plus an account of what these have in common and how they can complement each other. Some of the possible pitfalls that can arise in trying the techniques are also included, in order that coaches can avoid mistakes in their use. Issues are illustrated throughout using case studies, diagrams and examples of real coaching experiences. NLP Coaching will help practising, professional executive and life coaches achieve outstanding results for their clients, and provides essential reading for practitioners and students of NLP who need a practical guide on how to use their skills in a coaching context.
