English Made Easy : Guide & Practice for Learners Banojyotsna Ganguli

2021-08-11 English Made Easy, is not a run-of-the-mill grammar book. Grammar is one of the most important parts of learning any language. It's only with a proper understanding of grammar that we can move forward in our personal and professional life. Most of the time, grammar books are too complicated, and they do not provide the help that the student needs. This is where English Made Easy comes into the picture. English Made Easy is easy to read, and we believe in giving simple explanations to maximize student learning. Each chapter has two levels of exercises-

Starter and Advanced. Starter exercises are useful for students who need some guidance on the topic and have ample hints to solve. Advanced exercises- will test students to apply the topic into action in the form of writing their thoughts in a logical manner. Each chapter ends with a marvelous mind map which gives a fun component to understand grammatical rules. We have taken excerpts from great poetry, novels, and short stories to also add a literary element to help in understanding grammar. Take a break with the fun crosswords, and word games to help students appreciate the beauty of the English language. English Made Easy is a one-time purchase, to benefit the entire family. It is written to appeal to students, professionals, and homemakers. Anyone and everyone can advance their language skills with this incredible book. The journey doesn't end with a purchase, Let'stute will ensure some amazing payoffs. Sessions with the author and

expert faculty solve doubts and gain clarity on difficult areas. Extra material will be sent to readers on a fortnightly basis to add value to their learning. Readers can email us with their queries and will get a personalized response. Readers can also submit their suggestions, which will feature in the upcoming editions of English Made Easy. English Made Easy is our humble effort to bring simplicity and transparency to the learning process.

Ministry Marketing Made Easy Yvon

Prehn 2012-08-21 Most churches are not as effective as they could be in their marketing ministry because printed communications are not seen as vital and essential tools in church growth. Often, church publications primarily consist of getting the bulletin and newsletter completed, plus whatever flyers people need for youth group meetings or the church potluck. This book gives a simple how-to explanation of how to implement a church marketing plan. Using church growth paradigms combined with proven marketing strategies and specific publication techniques, this book shows pastors, church leaders, and administration staff how to produce publications that will grow their churches and change the lives of people in congregations. This book assists pastors and other church leaders intentionally move people from one stage of church growth to the next.

Pharmaceutical Practice Jennie Watson 2014-01-16 The fifth edition of *Pharmaceutical Practice* has been totally overhauled and restructured to bring the contents completely up to date and to reflect emerging new roles for pharmacists both within the traditional employment areas of hospital and community pharmacy, as well as other developing roles supporting the public health agenda, governance, risk management, prescribing and pharmacoeconomics. It covers a wide range of subjects relevant to pharmacy practice, including communication skills, managing a business, quality assurance, dispensing, calculations, packaging, storage and labeling of medicines, sterilization, prescriptions, hospital-based services, techniques and treatments, adverse drug reactions, cost-benefit, and medicines management. Each chapter begins with Study Point and ends with Key Points to reinforce learning. Appendices include medical abbreviations, Latin terms and abbreviations, systems of weights and measurements, presentation skills and key references. Self-assessment questions for more complex areas of pharmaceutical practice. New chapters on control of medicines; control of health professionals and their staff;

ethics in practice; Standard Operating Procedures; structure and organisation of pharmacy; veterinary pharmacy; appliances; public health, and pharmacy interventions. New editor on the team, Jennie Watson. Many new contributors, comprising practising pharmacists, teachers of pharmacy, and pharmacists with joint appointments between hospital/community pharmacy and universities.
