The Initiatory Path in Fairy Tales
Bernard Roger 2015-06-15 Hidden within age-old classic stories lie the hermetic teachings of alchemy and Freemasonry • Explains how the stages of the Great Work are encoded in both little known and popular stories such as Cinderella, Snow White, and Little Red Riding Hood • Reveals the connection between Mother Goose and important esoteric symbols of the Western Mystery tradition • Demonstrates the ancient lineage of these stories and how they originated as the trigger to push humanity toward higher levels of consciousness In his *Mystery of the Cathedrals*, the great alchemist Fulcanelli revealed the teachings of the hermetic art

encoded in the sculpture and stained glass of the great cathedrals of Europe. What he did for churches, his disciple Bernard Roger does here for fairy tales. Through exhaustive analysis of the stories collected by the Brothers Grimm, Perrault, and others, Roger demonstrates how hermetic ideas, especially those embodied in alchemy and Freemasonry, can be found in fairy tales, including such popular stories as Cinderella, Snow White, Sleeping Beauty, and Little Red Riding Hood as well as the tales attributed to "Mother Goose." The goose has long been an important esoteric symbol in the Western Mystery tradition. The stories told under the aegis of Mother Goose carry these symbols and secrets, concealed in what hermetic adepts have long called "the language of the birds." Drawing upon the original versions of fairy tales, not the sanitized accounts made into

children's movies, the author reveals how the tales illustrate each stage of the Great Work and the alchemical iterations required to achieve them. He shows how the common motif of a hero or heroine sent in search of a rare object by a sovereign before their wishes can be granted is analogous to the Masonic quest for the lost tomb of Hiram or the alchemist's search for the fire needed to perform the Great Work. He also reveals how the hero is always aided by a green bird, which embodies the hermetic understanding of the seed and the fruit. By unveiling the secret teachings within fairy tales, Roger demonstrates the truly ancient lineage of these initiatory stories and how they originated as the trigger to push humanity toward higher levels of consciousness.

Our Lives are But Stories Esther Schely-Newman 2002 A rich analysis of how four Tunisian-Israeli women tell the stories of their lives, and a look at the implications for our own understanding of stories and the behavior of communication.

The Birthright of Mary Magdalene Joan Riise 2015-09-01 Who was Mary Magdalene? Before she was the target of the early church fathers, she was a child full of innocence, curiosity, grace, and hope. The Mary you will meet within the pages of Birthright is just seven years old. Seven: the magical age when children begin to unfold, eager to find their place in the world. It is the age at which reason begins to blossom and the flame of understanding is ignited. Drawing from the mystical spark of inspiration that comes from nowhere and everywhere, this story moves back in time through seven generations of women, Mary's foremothers—back into the age when God was a woman. Gifted with herstory, Mary fearlessly accepts her birthright of creativity, freedom, integrity, and unconditional

love. The stories are told by her grandmother, Sakinah, around the evenings' campfires. Both Sakinah and Mary's mother, Hannah, are midwives assisting Mary of Nazareth as she nears the birth of Jesus on the journey to Bethlehem. Following her family's tradition, this is Mary's first opportunity to serve as apprentice at a birth. So close your eyes and unlock the gates of your own imagination to travel through an historic time of ancient prophecy and future promise. This is a not a Mary you've known before but one who, like the babe she holds in the first moments of his life, has come to share a searing mission of divine dimension. "The Birthright of Mary Magdalene is a meaningful gift for the tween, teen, or anyone drawn to a spirituality that includes the nourishing balance of the divine feminine. Share this story and your own with the next generation – our culture is created from its stories."

—Julie Cuccia-Watts, creator of Ancestral Path Tarot, Blue Moon Tarot, MAAT Tarot, and Journey into Egypt Tarot "From start to finish I was captivated by the spirited seven year old Mary. Her journey through seven generations of ancient mother healing wisdom leads her to a future of penetrating accord with her twin flame; a future that will demand her willing sacrifice to preserve the sacred truth at all costs." —Dawn Silver, author of Jewels of the Lotus Gemstone Oracle

Verdwijnende aarde Julia Phillips 2020-09-03 **** 'Imponerend romandebuut.' de Volkskrant Op een middag in augustus, aan de kust van Kamtsjatka, verdwijnen twee zusjes. In de daaropvolgende maanden lukt het de politie niet de zaak op te lossen. Echo's van de verdwijning weerklinken in een hechte gemeenschap, de angst en het verdriet zijn vooral voelbaar onder de vrouwen. Gedurende een jaar volgen we met verbazingwekkende scherpte de levens van hen die zijn verbonden door de misdaad: een getuige, een buurvrouw, een detective, een moeder. Op de achtergrond de ruige schoonheid van het gebied: dichtbeboste wouden, uitgestrekte toendra's, stomende vulkanen en ijzige zeeën die grenzen aan Japan en Alaska. Een gebied even complex als verleidelijk, waar sociale en etnische spanningen sudderen en waar buitenstaanders vaak

als eerste worden beschuldigd. In de pers 'Schrijven kan Phillips: ieder hoofdstuk brengt een ander perspectief op de vermissing, spannend tot het einde.' Trouw 'Een bijzonder briljante roman.' De Morgen 'Verdwijnende aarde is een parelketting van aaneengeregen verhalen.' De Groene Amsterdammer 'Een heel origineel en bijzonder en goed geschreven, indrukwekkend boek.' JAN 'Een dijk van een boek, spannend van de eerste tot de laatste bladzijde.' De Limburger 'Imponerend debuut.' VPRO Gids

Naar de vuurtoren / druk 1 V. Woolf Achter gesloten deuren B.A. Paris 2016-10-11 Achter gesloten deuren van BA Paris houdt je van begin tot eind geboeid. Andere thrillers van deze auteur zijn Gebroken en Breng me terug. Achter gesloten deuren van B.A. Paris lees je in één ruk uit! In Engeland zijn er meer dan 500.000 exemplaren van verkocht. Achter gesloten deuren is de spannende thriller die iedereen leest! Iedereen kent wel een echtpaar als Jack en Grace: hij is knap en rijk, zij is charmant en elegant. Mensen om jaloers op te zijn, als je ze niet aardig zou vinden. Je zou Grace beter

willen leren kennen. Maar dat is moeilijk, want Grace en Jack zijn altijd samen. Sommigen zouden dit ware liefde noemen. Anderen zouden zich misschien afvragen waarom Grace nooit de telefoon opneemt. En waarom ze nooit op visite komt, ook al werkt ze niet. En waarom een slaapkamer van hun huis tralies voor het raam heeft. Achter gesloten deuren houdt je van begin tot eind geboeid. Deze thriller heeft al honderdduizenden fans in Groot-Brittannië! 'Een van de topthrillers van 2016!'

How to Be a Dad Oscar Duke 2019-06-13 'All hail the Guru of Fatherhood' - Dermot O'Leary - The first doctor-written guide to becoming a dad - Combines the medical knowledge of a healthcare professional with real-life experience - Step-by-step - from conception to caring for your newborn baby - Honest, humorous and engaging, this book answers the questions you've been too afraid to ask At this crucial life-moment, knowledge is power, but you probably know less than you think: What's a cervix? Can we still have sex? Why's the midwife doing that? How do I make up a bottle and is that poo normal? Dad's role is more important than you might ever have imagined, so what can you do to help? 'I hope that as a doctor and a new dad, I will go some way towards answering those "man questions" that never quite make it to the pub,

locker-room, water cooler or any other locations where men might find themselves having meaningful chats with another guy. Think of this as a papery man hug in what is a potentially treacherous world of terminology, hormones, social change, sleep deprivation and finally dirty nappies with tiny feet attached.'

Written in Blood Diane Fanning 2005-02-01 An army brat-turned-marine, he saw combat in Vietnam, and returned a decorated soldier. An avid reader, his dreams of being an acclaimed novelist came true. His desire to find love was fulfilled when he married brilliant executive Kathleen Atwater, the first female student accepted at Duke University's School of Engineering. The Petersons seemed the ideal academic couple—well-respected, prosperous, and happy. All that came crashing down in December of 2001, when Kathleen apparently fell to her death in their secluded home in an exclusive area of Durham, North Carolina. But blood spattered evidence and a missing fireplace poker suggested calculated, cold-blooded murder. Her trusted husband stood accused. Prosecutors introduced evidence at trial that sixteen years earlier, Peterson was one of the last people to see his neighbor alive before she was found dead at the bottom of a staircase in her home in Germany. A dramatic trial followed in the explosive final chapter of a life that no novelist could ever have conceived... *Written in Blood* is a 2006 Edgar Award Nominee for Best Fact Crime.

Power Couples Mary Abbott 2003 From Bill and Hilary and Posh and Becks, the power couple has become a feature of modern life, an emblem of the media age. The phenomenon itself is much older, however. Take Elizabeth and Essex, Catherine the Great and

Grigory Potemkin, or Antony and Cleopatra - perhaps the most famous power couple of them all. Covering two millennia and four continents, Mary Abbott joins the paparazzi. She exposes the origins of each partner in power, how they came together, what drove their relationships, who else was involved and how they ended. The cast of duos is familiar, their names for ever linked together in the popular imagination: Ferdinand and Isabella, Victoria and Albert, Edward and Mrs. Simpson, Burton and Taylor, Ted Hughes and Sylvia Plath, Nelson and Winnie Mandela, Charles and Diana.

The Old Bailey Theresa Murphy 2011-10-14 This is the story of an arena of crime and degradation, of infamy and human suffering. It is the history of the Old Bailey, an institution as flawed as all man-made attempts at justice are doomed to be. In the beginning there was barbarity and injustice. The court was packed with a restless, muttering mob, eager for the verdicts of 'Guilty' so they could enjoy public executions, hurling abuse and missiles at those with the noose around their neck. Today we fool ourselves that we have evolved beyond barbarism, but are made uneasy by the continuing exposure of miscarriage of justice. If we use the Old Bailey as a yardstick, it is possible to argue that mankind has not made much progress through the centuries. In these pages, we tour the courts of long ago, meeting the Dracula-garbed court chaplains, drunken, brutal judges and cold-blooded hangmen. With wit and skill, Theresa Murphy brings to life a cast of hundreds, from the well-known to the less infamous, who together make up the harrowing history of the Old Bailey.

Secret Strategies Winny Koster 2003 This dissertation entitled 'Secret strategies. Women and abortion in Yoruba society, Nigeria' is based on an applied research project in abortion and other fertility regulation practices. The project explored sociocultural, economic and service related factors influencing the high rate of unsafe abortion and abortion death and in a participatory way gave recommendations for improvements. The dissertation pays attention to the motivations of women to resort to practices they know are a risk to their health and life.

De kracht van echte mannen David Deida 2015-12-22 In 'De kracht van echte mannen' wijst David Deida de moderne man de weg naar een daadkrachtig leven vol integriteit, authenticiteit en vrijheid. Het boek laat zien hoe een man een bevredigend leven kan leiden, door ruimte te geven aan de kern van zijn wezen: zijn mannelijkheid. Deida stelt dat de trend naar seksuele gelijkheid een belangrijke oorzaak is van het ontbreken van geluk in relaties. Het heeft namelijk niet alleen geleid tot

economische en sociale gelijkheid, maar ook tot seksuele neutraliteit. Nu we de gelijkheid tussen de seksen hebben geaccepteerd, zegt Deida, is het tijd om de eigen mannelijke of vrouwelijke essentie weer in ere te herstellen. En daarmee het vuur van de seksuele hartstocht opnieuw aan te wakkeren!

Silver Dreams Kusum Chopra 2016-12-15 Even as it traverses great distances from the Himalayas to Delhi, Mumbai, Thailand, Canada and finally the West Indies, *Silver Dreams* silently but surely closes in

on the distance between the hearts of the aging lovers Kinnary and Rana. The lively exchanges between them as Rana woos Kinnary at a retirement home bring dollops of humor and nostalgia, pathos and experience to the fore. However, with the longevity of modern marriage declining rapidly, how much chance does this second innings, that comes with its own baggage of two extended families, marital disasters and past feelings of failure, stand? With the pace of a thriller and the mellow mood of 2nd innings romance, look out for Rana and Kinnary's definitions of love, life and romance as they draw on memory banks, set out on a global adventure and even have a brush with voodoo in this unique tale of resurrecting relationships against the odds of *Hamare Tumhare*.

Where Does It Hurt? Jonathan Bush 2014-05-15 A bold new remedy for the sprawling and wasteful health care industry. Where else but the doctor's office do you have to fill out a form on a clipboard? Have you noticed that hospital bills are almost unintelligible, except for the absurdly high dollar amount? Why is it that technology in other industries drives prices down, but in health care it's the reverse? And why, in health care, is the customer so often treated as a mere bystander—and an ignorant one at that? The same American medical establishment that saves lives and performs wondrous miracles is also a \$2.7 trillion industry in deep dysfunction. And now, with the Affordable Care Act (Obamacare), it is called on to extend full benefits to tens of millions of newly insured. You might think that this would leave us with a bleak choice—either to devote more of our national budget to health care or to make do with less of it. But there's another path. In this provocative book, Jonathan Bush,

cofounder and CEO of athenahealth, calls for a revolution in health care to give customers more choices, freedom, power, and information, and at far lower prices. With humor and a tell-it-like-it-is style, he picks up insights and ideas from his days as an ambulance driver in New Orleans, an army medic, and an entrepreneur launching a birthing start-up in San Diego. In struggling to save that dying business, Bush's team created a software program that eventually became athenahealth, a cloud-based services company that handles electronic medical records, billing, and patient communications for more than fifty thousand medical providers nationwide. Bush calls for disruption of the status quo through new business models, new payment models, and new technologies that give patients more control of their care and enhance the physician-patient experience. He shows how this is already happening. From birthing centers in Florida to urgent care centers in West Virginia, upstarts are disrupting health care by focusing on efficiency, innovation, and customer service. Bush offers a vision and plan for change while bringing a breakthrough perspective to the debates surrounding Obamacare. You'll learn how:

- Well-intended government regulations prop up overpriced incumbents and slow the pace of innovation.
- Focused, profit-driven disrupters are chipping away at the dominance of hospitals by offering routine procedures at lower cost.
- Scrappy digital start-ups are equipping providers and patients with new apps and technologies to access medical data and take control of care.
- Making informed choices about the care we receive and pay for will enable a more humane and satisfying health care system to emerge.

Bush's plan calls for Americans not only to demand more from providers but also

to accept more responsibility for our health, to weigh risks and make hard choices—in short, to take back control of an industry that is central to our lives and our economy.

Het doel Elle Kennedy 2019-12-12 Het vierde deel in de grappige en steamy Off Campus-serie van Elle Kennedy. Alle delen zijn los van elkaar te lezen. Sabrina James heeft haar plannen op een rijtje: met goede cijfers afstuderen, toegelaten worden op een topuniversiteit voor een master rechten, en dan werken bij een prestigieus advocatenkantoor. Om aan haar vreselijke thuissituatie te ontkomen zal ze alles op alles moeten zetten, en daardoor heeft ze geen tijd voor een relatie. Op een avond uit ontmoet ze de knappe ijshockeyer John Tucker, die haar gelijk helemaal ziet zitten. Sabrina zwicht voor zijn charmes en besluit hem één kans te geven. Een beslissing die haar hele leven voor altijd zal veranderen... Het doel is het vierde deel in de Off Campus-serie van Elle Kennedy, die zich afspeelt op de fictieve Briar University. Alle delen zijn los van elkaar te lezen. Het eerste deel, *De deal*, werd in Nederland en België al

meer dan 25.000 keer gelezen en geluisterd. Ook schreef Elle Kennedy een serie van vier boeken die zich in dezelfde omgeving afspeelt, getiteld Briar U.

Xavier Kathi S. Barton 2019-12-22 Cindi Janis was worried. The murders had been all over the newspapers. Young, redheaded women were found murdered, too many to be just a coincidence. Cindi hadn't heard from her Aunt Caroline in quite some time, and she fit the description of one of the victims. So did she, for that matter. A short trip to Ohio and Cindi could claim the body if it was indeed her aunt and get on with her life. But what she found when she got to Ohio wasn't on her agenda. Xavier Manning wanted to help; someone needed to go to the airport to pick up Miss Janis to get this nasty business of identifying the body out of the way. He hadn't expected that the beautiful redhead getting off the plane was going to be his mate. The killings were getting closer to home. Now that Xavier had his mate and she fit the killer's profile, the pressure to solve these murders was ramped up. Would Cindi be next?

Amy kijkt terug op haar jeugd, haar rise to fame, de hechte band met haar zusje Kim en haar vastberadenheid om de wereld elke dag eerlijk en humorvol tegemoet te treden.

The Rough Guide to the Beatles Chris Ingham 2003 More than thirty years after they split, the Beatles remain the ultimate pop band - the most popular, the most respected, the most influential. This new Rough Guide covers the Fab Four from every angle, delving deep into their music and lyrics, their movies, their solo careers and much more. Features include: - The Life and the Music: from Liverpool clubs to world domination, from Beatlemania to the break-up and beyond, here's the story of the recordings and the gigs, as well as the haircuts, girlfriends, scandals and psychedelia. - The Canon: the inside track on the 50 essential Beatles songs. - Beatles On Screen: the movies, the promos, the TV appearances. - The Fifth Beatle: George Martin, Brian Epstein, 'Magic Alex' and others - the people closest to the Beatles. - Beatle Country: the landmarks of Beatles lore. - Beatleology: the best books, the weirdest cover versions, the most obsessive websites, the obscurest trivia. All you need is this! Nowhere's Child Kari Rosvall 2015-04-02 'This is a beautifully written story. Of healing and love - and pain. Reading this book is like sitting in front of Kari, listening to her opening her heart to you' Irish Times Kari Rosvall's early life

was shrouded in mystery until, at age 64, she received a letter through the post. In it was a photograph of herself as a young baby - the only one she had ever seen. This was the first step towards her discovery of the dark secret of her conception. Kari soon learned that she was a Lebensborn child, part of Hitler's 'Spring of Life' programme, which encouraged Nazi soldiers to have children with Scandinavian women in order to create an Aryan race. And so began a journey back to her roots: to Norway, where she was taken from her mother and sent to Germany in a crate to join the other Lebensborn children, and to post-war Germany and her eventual rescue by the Red Cross from an attic. *Nowhere's Child* is a remarkable story of reconciliation and of forging new beginnings from a dark past. Ultimately, for this woman who set up a new life in Ireland, it is the life-affirming account of what it really means to find a place called home.

Forty-one year-old Emily Blyton should be content; she has a job she loves, a beautiful home, and countless friends in the quaint mountain community of Murray, Colorado. On the other hand, she also has an estranged daughter who lives in New York, an ex-husband she hasn't spoken to in years, and a past full of painful memories she can't erase. When Emily discovers that she was adopted, her carefully arranged world comes apart.

Secrets of the Flesh Judith Thurman

2011-03-30 A scandalously talented stage performer, a practiced seductress of both men and women, and the flamboyant author of some of the greatest works of twentieth-century literature, Colette was our first true superstar. Now, in Judith Thurman's *Secrets of the Flesh*, Colette at last has a biography worthy of her dazzling reputation. Having spent her childhood in the shadow of an overpowering mother, Colette escaped at age twenty into a turbulent marriage with the sexy, unscrupulous Willy--a literary charlatan who took credit for her bestselling Claudine novels. Weary of Willy's sexual domination, Colette pursued an extremely public lesbian love affair with a niece of Napoleon's. At forty, she gave birth to a daughter who bored her, at forty-seven she seduced her teenage stepson, and in her seventies she flirted with the Nazi occupiers of Paris, even though her beloved third husband, a Jew, had been arrested by the Gestapo. And all the while, this incomparable woman poured forth a torrent of masterpieces, including *Gigi*, *Sido*, *Cheri*, and *Break of Day*. Judith Thurman, author of the National Book Award-winning biography of Isak Dinesen, portrays Colette as a thoroughly modern woman: frank in her desires, fierce in her passions, forever reinventing herself. Rich with delicious gossip and intimate revelations, shimmering with grace and intelligence, *Secrets of the Flesh* is one of the great biographies of our time. NOTE: This edition does not include a photo insert.
