## **JHARKHAND GENERAL KNOWLEDGE 2021** MANISH RANJAN (IAS)

2022-04-05 The state of Jharkhand quintessentially reflects an enormous diversity of natural, cultural, social, political and geographical structures. This exquisite land represents swings of mellifluous music and pulchritudinous dance. Citizens enjoy the tune of dhol, mandar and flute which manifests the spirit of collectivism. The festivals and rituals such as Karma Puja, Sarhul, Tusu, Sohrai symbolize centrality of nature, its pristine simplicity, charm and harmony. This book provides complete information about various aspects of Jharkhand. It contains twenty chapters encompassing meticulous analysis of its historical, geographical, political, social, cultural and economic situations of the state. The contemporary development in terms of programs and policies has been presented along with statistical diagrams, which helps readers to comprehend the current scenario comfortably. In addition, up-to-date information has been compiled to facilitate students appearing for various competitive examinations. 893 objective questions along with their answers and fifty practice question sets make this book unique for young students aspiring to shape up their career. This book renders judicious mix of information, thoughtful interpretation of data, its analysis, and contemporary raw facts. This book is expected to be of great use not only for young students aiming at nailing competitive exams but also for researchers, teachers and avid readers who wish to explore this fascinating state.

*Arrest and Detention in India* Dipa Dube 2021-11 This book studies arrest and detention laws through constitutional guarantees and criminal jurisprudence and recommends reforms to curb human rights violations and abuse of legal provisions.

*India: Who's who* 1971

**Justice versus Judiciary** Sudhanshu Ranjan 2019-04-17 There can be no dispute that the judges of the high courts and the Supreme Court of India wield tremendous powers. However, power comes with a price which bestows huge responsibility. Building on this narrative, the book advocates that judges must be made accountable not only in respect of their personal conduct and integrity, but also in respect of the judicial verdicts they deliver. This book, thus, critically discusses Articles 141, 142, and 144, which make the Supreme Court the most powerful institution in the country, and Articles 32 and 136, which also confer wide powers on it. Using these powers, the apex court sometimes, unmindful of the budgetary and other vital implications, tends to pass orders which lack the scope for implementation. The book suggests measures to improve the functioning of Indian judicial system and save the institutions of justice from turning autocratic and narcissistic.

Current Affairs Roundup 2018 with 24+ Online Tests & 2 ebooks 2nd Edition Disha Experts 2017-08-01 The Current Affairs Roundup 2018 2nd Edition is empowered with 24+ Online MCQ Tests and 2 ebooks - GK2018 & Weekly Current Affairs Update 2017. When a Tree Shook Delhi HS Phoolka 2013-12-19 It stands out even in a country inured to mass violence - 3,000 members of a minority community slaughtered over three days in 1984, right in India's capital. Twenty-three years on, neither the organizers of the massacre nor the state players who facilitated it have been punished, despite prolonged inquiries and trials. This massacre of Sikhs in the wake of Prime Minister

Indira Gandhi's assassination has turned out to be a reality check on India's much touted institutions of the rule of law. The book seeks to uncover the truth on the basis of the evidence that came to light during the proceedings of the latest judicial inquiry conducted by the Nanavati Commission. Authors Manoj Mitta and H.S. Phoolka, perhaps the most knowledgeable voices on the subject, present an unsparing account, abounding with insights and revelations, on the 1984 carnage and its aftermath.

*Lawyers in 21st-Century Societies* Richard L Abel 2020-04-02 The world's legal professions have undergone dramatic changes in the 30 years since publication of the landmark three-volume *Lawyers in Society*, which launched comparative sociological studies of lawyers. This is the first of two volumes in which scholars from a wide range of disciplines, countries and cultures document and analyse those changes. The present volume presents reports on 46 countries, with broad coverage of North America, Western Europe, Latin America, Asia, Australia, North Africa and the Middle East, sub-Saharan Africa, and former communist countries. These national reports address: the impact of globalisation and neoliberalism on national legal professions (the relationship of lawyers and their professional associations to the state and tensions between state and citizenship); changes in lawyer demography (rapidly growing numbers and the profession's efforts to retain control, the entry of women and obstacles to full gender equality, ethnic diversity); legal education (the proliferation of institutions and pedagogic innovation); the regulation of lawyers; structures of production (especially the growth of large firms and the impact of technology and paraprofessionals); the distribution of lawyers across roles; and access to justice (state-funded legal aid and pro-bono services). The juxtaposition of the reports reveals the dramatic transformations of professional rationales, labour markets, and working practices and the multiple contingencies of the role of lawyers in societies experiencing increasing juridification within a new geopolitical order.

*Judges of the Supreme Court and the High Courts, as On...* India. Dept. of Justice 1988

"Remember, the journey from Patiala to Delhi wouldn't be as simple as you think..."

*Rethinking Public Institutions in India* Devesh Kapur 2018-02-16 While a growing private sector and a vibrant civil society can help compensate for the shortcomings of India's public sector, the state is—and will remain—indispensable in delivering basic governance. In *Rethinking Public Institutions in India*, distinguished political and economic thinkers critically assess a diverse array of India's core federal institutions, from the Supreme Court and Parliament to the Election Commission and the civil services. Relying on interdisciplinary approaches and decades of practitioner experience, this volume interrogates the capacity of India's public sector to navigate the far-reaching transformations the country is experiencing. An insightful introduction to the functioning of Indian democracy, it offers a roadmap for carrying out fundamental reforms that

will be necessary for India to build a reinvigorated state for the twenty-first century.

*The School* AD Krishnapal 2021-03-11 This book is titled 'The School' because it contains the experiences of a guest teacher in the precinct school. It shows the various qualities of teachers in government school including the attitude, the methodology adopted, level of knowledge, interest in teaching, behaviour towards the students and fellow beings, the faction based on various grounds etc. The book enshrined the facts of the educational level of students in government schools and how the government schools became a mid-day meal centre for the children who come from lower socio-economic sections of the society. The schools do not remain the centre for shaping the personality of students but become the centre of dirty politics. The character and the behaviour of the teachers are explained comprehensively. The book contains the eleven chapters in chronological order from the first day of the appointment to the end of a session. The book contains the various policies of the government towards the school and educational process. The first chapter includes a description of the school and the introduction of teachers. The subsequent seven-chapter explain the events happening in the school. The tenth chapter explains the status of advocate and how they got success, but not happy. The court helped the guest teachers for the continuation of the job. The book explains at various place how the exploitation of guest teachers continue. I think This is the first book of its kind.

*Toxic Tibet Under Nuclear China* M. G. Chitkara 1996 On the mining and exploration of uranium in Tibet, particularly in the context of China's nuclear programme.

**Legal Eagles** Indu Bhan 2015-08-31 Harish Salve failed his CA exam twice. Mukul Rohatgi was unable to secure a place at the Law Faculty, Delhi University. Rohinton Nariman was trained to become a Parsi priest. *Legal Eagles* examines the lives and times of India's top seven lawyers, who fought some of the country's landmark courtroom battles. Tracing their journey from their childhood days to the present, the book highlights the important milestones of their careers, their victories and failures, their influences, and their work ethic and role models, demonstrating that the path to success is paved with determination, grit and challenges. Journalist Indu Bhan gives a ringside view of the most significant case handled by each of these lawyers, including the Vodafone tax case, Coalgate and the 2G spectrum controversy, among others.

Faith, Gender, and Activism in the Punjab Conflict Mallika Kaur 2020-01-14

Punjab was the arena of one of the first major armed conflicts of post-colonial India. During its deadliest decade, as many as 250,000 people were killed. This book makes an urgent intervention in the history of the conflict, which to date has been characterized by a fixation on sensational violence—or ignored altogether. Mallika Kaur unearths the stories of three people who found themselves at the center of Punjab's human rights movement: Baljit Kaur, who armed herself with a video camera to record essential evidence of the conflict; Justice Ajit Singh Bains, who became a beloved "people's judge"; and Inderjit Singh Jaijee, who returned to Punjab to document abuses even as other elites were fleeing. Together, they are credited with saving countless lives. Braiding oral histories, personal snapshots, and primary documents recovered from at-risk archives, Kaur shows that when entire conflicts are marginalized, we miss essential stories: stories of faith, feminist action, and the power of citizen-activists.

SUTLEJ YAMUNA (un) LINK Story of an Epic Water Dispute between Punjab and Haryana R K Garg 2020-01-01

The subject of this book is the sordid "Story of an Epic Water Dispute between Punjab and Haryana". The author Mr. R.K. Garg, an eminent irrigation engineer of Haryana, had the unique opportunity of being intimately associated with the minute details and background of this water dispute between the two principal constituents of the erstwhile state of Punjab, for number of years. He has comprehensively encapsulated the genesis of the unfortunate river water dispute, right from the Indus Waters Treaty of 1960 to the present impasse and its non-resolution, in spite of the repeated adjudication and pronouncements of the Supreme Court of India and an Inter State Waters Tribunal, the Ravi and Beas Waters Tribunal, as well as various political settlements and agreements at the highest level.

One Liner

Conflicted Democracies and Gendered Violence Angana P. Chatterji 2016-11-04 The Sexual Violence and Impunity in South Asia research project (coordinated by Zubaan and supported by the International Development Research Centre) brings together, for the first time in the region, a vast body of research on this important - yet silenced - subject. Six country volumes (one each on Bangladesh, Nepal, Pakistan, Sri Lanka, and two on India, as well as two standalone volumes) comprising over fifty research papers and two book-length studies, detail the histories of sexual violence and look at the systemic, institutional, societal, individual and community structures that work together to perpetuate impunity for perpetrators. The essays in this volume focus on Nepal, which though not directly colonized, has not remained immune from the influence of colonialism in its neighbourhood. In addition to home-grown feudal patriarchal structures, the writers in this volume clearly demonstrate that it is the larger colonial and post-colonial context of the subcontinent that has enabled the structuring of inequalities and power relations in ways that today allow for widespread sexual violence and impunity in the country - through legal systems, medical regimes and social institutions. The period after the 1990 democratic movement, the subsequent political transformation in the aftermath of the Maoist insurgency and the writing of the new constitution, has seen an increase in public discussion about sexual violence. The State has brought in a slew of legislation and action plans to address this problem. And yet, impunity for perpetrators remains intact and justice elusive. What are the structures that enable such impunity? What can be done to radically transform these? How must States understand the search for justice for victims and survivors of sexual violence? The essays in this volume attempt to trace a history of sexual violence in Nepal, look at the responses of women's groups and society at large, and suggest how this serious and wide-ranging problem may be addressed.

Revenue Laws of Punjab Gurdev Dham

Justice Through Public Interest Litigations Navkiran Singh 2022-03-19 The state of Punjab witnessed a great deal of Political turmoil between the years 1984 and 1994 on account of political uprisings demanding more power to the state. Human rights violations were rampant and were used as a means to quell anti-State rhetoric. To combat this, a group of lawyers came together and fought against State repression while forming a non-profit organization in the 1990's titled "LAWYERS FOR HUMAN RIGHTS INTERNATIONAL". Their motto was to uphold Human rights using Public Interest Litigation as a tool. This book is a compilation of the Public Interest litigations (PILs) filed in The High Court

of Chandigarh by the author Advocate Navkiran Singh written with the hope of inspiring young Lawyers, Social activists and Human Rights enthusiasts. Its aim is to pass down knowledge and experience to young, pro-democracy citizens of India. It throws light on how Public Interest Litigations can be used as a tool not only to uphold justice and Human Rights but to also strengthen India as a democracy.

Current Affairs June 2017 eBook Jagran Josh 2017-06-06 Current Affairs June 2017 eBook is created by keeping the demands of recent pattern of various competitive exams in major view. Ancient Indian Law Mandagadde Rama Jois 2015

The Caravan Delhi Press The country's first and only publication devoted to narrative journalism, The Caravan occupies a singular position among Indian magazines. It is a new kind of magazine for a new kind of reader, one who demands both style and substance. Since its relaunch in January 2010, the magazine has earned a reputation as one of the country's most sophisticated publications—a showcase for the region's finest writers and a distinctive blend of rigorous reporting, incisive criticism and commentary, stunning photo essays, and gripping new fiction and poetry. Its commitment to great storytelling has earned it the respect of readers from around the world. □ "India's best English language magazine", The Guardian, London □ "For those with an interest in India, it has become an absolute must-read", The New Republic, Washington The Caravan fills a niche in the Indian media that has remained vacant for far too long, catering to the intellectually curious and aesthetically refined reader, who seeks a magazine of exceptional quality.

Eleven Gods and a Billion Indians Boria Majumdar 2018-04-06 Eleven Gods and a Billion Indians goes deep into every Indian cricket tour since 1886—taking the reader backstage to when India played its first test in 1932, and bringing the story forward to the more contemporary IPL—to provide a complex and nuanced understanding of the evolution and maturity of the game. Equally, it comes with material that has never entered the public domain so far—going behind the scenes of cases like Monkeygate, the suspension of Lalit Modi, spot-fixing, and the phase of judicial intervention. It carries not just reportage and analysis, but also player reminiscences, personal interviews, photographs and letters never known or discussed so far in Indian sporting discourse. Weaving together such material, Eleven Gods and a Billion Indians unflinchingly confronts questions that demand answering, among them: Has internal bickering impacted the on field performance of the Indian cricket team? Did some of our icons fail the country and the sport by trying to conceal important facts during the spot-fixing investigation? And does it matter to the ordinary fan who heads the BCCI as long as there is transparency and accountability in the system? In the end, in telling the story of the role of cricket in colonial and post-colonial Indian life, and the inter-relationship between those who patronize, promote, play and view the sport. Eleven Gods and a Billion Indians unravels the story of a nation now considered the financial nerve centre of world cricket.

Who Threatens The Press Kanu Sharma 2022-07-02 This Book is comprehensive evaluation of basic human right i.e. freedom of speech and expression (Article 19-recognized as fundamental right, part III of the Constitution). It basically covers current topics like sedition and hate speech. The aim of this work is to highlight the plight of journalists who's freedom to speak has been curtailed due to policies of government

Behind Closed Doors B. K. Chum 2013-12-01 A riveting volume that paints politics and politicians in their true colours! A candid, hard-hitting and incisive work that throws light on crucial events in post-independence India - focusing on Punjab, Haryana and the Emergency - that had serious

repercussions for the nation . . . As a seasoned journalist, B. K. Chum, who was a witness to history-in-the-making for more than six decades, has gone 'behind closed doors' to unearth secrets that politicians prefer to keep hidden. Beginning with Punjab in the early 1950s, when the Akalis demanded a separate Punjabi-speaking state, Chum recounts how the resultant turmoil led to the state being split on the basis of language. He moves on to describe the terrorism years, which had disastrous consequences for the nation. In the process, he reveals how an unholy nexus between the Congress leader Giani Zail Singh and the Sikh preacher-turned-extremist Jarnail Singh Bhindranwale, to counter the Akalis, led to indiscriminate killings and widespread bloodshed and also to the marginalization of the moderate Akalis such as Sant Harchand Singh Longowal, Parkash Singh Badal and Surjit Singh Barnala. Chum details how the extremists took control of the Golden Temple at Amritsar, necessitating Operation Bluestar, which resulted in the subsequent assassination of Prime Minister Indira Gandhi. He details the efforts made to root out terrorism and how it was eventually wiped out after Beant Singh, who took over as Punjab chief minister in February 1992, appointed K. P. S. Gill to tackle the menace. Coming to the sleazy politics of Haryana that gave the country's political lexicon the term 'Aya Ram Gaya Ram', Chum traces the vicissitudes of this state in the political sphere right from its coming into existence in November 1966. He also provides fascinating sketches of some of the shrewdest politicians of the state such as Bansi Lal, Devi Lal, Bhajan Lal, Om Prakash Chautala and Bhupinder Singh Hooda. The author gives a round-up of the various developments in Punjab and Haryana in the 1990s and in the new millennium, which include, apart from the positive aspects, shady land deals, money-related scams, sex scandals and the pivotal role played by dynastic politics. The author's behind-the-scenes revelations of the murky goings-on during the Emergency make for enthralling reading. He discloses how the main perpetrators of the Emergency - led by Sanjay Gandhi - were planning to

take over the country and run it according to their whims and fancies. The Informal Constitution Abhinav Chandrachud 2020-11-30 Enacted for historical reasons on 26 January 1950, the Constitution of India provided that the Supreme Court of India, situated in New Delhi, was to have one Chief Justice of India, and not more than seven judges. Today, the Court has 33 judges in addition to the Chief Justice of India. But who are these judges, and where did they come from? Its central thesis is that despite all established formal constitutional requirements, there are three informal criteria which are used for appointing judges to the Supreme Court: age, seniority, and diversity. The author examines debates surrounding the Indian judicial system since the institution of the federal court during the British Raj. This leads to a study of the political developments that resulted in the present 'collegium system' of appointing judges to the Supreme Court of India. Based on more than two dozen interviews personally conducted by the author with former judges of the Supreme Court of India, this book uniquely brings to the fore the unwritten criteria that have determined the selection of judges to the highest court of law in this country for over six decades.

**Honeybees of Solomon** Ke. Tti Tōmas 2008 This book contains reminiscences of the Author as Judge for twenty-five years. Apart from a few travelogue and acquaintances with personages, the descriptions are live stories of human life displayed in different courts where he was judge. The author has avoided narrating matrimonial disputes due to statutory constraints. The narratives have been recollected from memory. Yet care was taken to mention only true facts, though all truths are not included, lest, it might injure the feelings of others. This is intended only for the readers to have easy reading on some interesting episodes of human life. *Dispensation of Justice* Ravi Karan Singh 2004 Seeks To Identity The Problems Faced By Seekers Of Justice In Regard To The Delivery Of Legal Services. Has 11 Chapters And 5 Appendices As Also Important Decided Case Laws An Professional Ethics.
