Digital Marketing For Business 2 Books in 1 Jonathan Page 2020-12-11

Social media has traversed far greater heights than simply being a medium for user-generated content. Today, it's a tool for consumer empowerment (we all witness big conglomerates being brought to their knees by that one dissatisfied tweet or widely shared post) and a gratifying brand-consumer partnership. Even companies that have long been dismissing social media as frivolous and flippant have started taking note of its benefits. They've realized that social media is not limited to games and light-hearted opinion polls (which are also hugely successful in creating affable brands), but can involve more serious discussions and insights that are invaluable when it comes to building strong brands. Unlike traditional marketing mediums, social media doesn't swallow a huge chunk of your advertising and promotion budget. You don't need to create cost-intensive and ineffectual marketing plans that leave you broke. All you need is some creativity, perceptiveness, and an intuitive understanding about your audience's needs. More than sharp business acumen, you need a human touch. Social media gives your brand a human angle without breaking the bank. Currently, social media marketing is the most powerful tool that can help businesses to reach customers and prospects (whether small or not). But with over 88 percent of all companies selling on at least one social media platform, you can see how tempting it can be for the company to get lost in all that noise. To achieve more organic visibility, meet committed brand

fans, and even generate more sales and leads on your company social media pages, you'll need a succinct marketing strategy to rise to the top. Thankfully, this book offers just that for you. The book will show you how to promote your brand on social media, peeling through the layers of the most popular social media sites to get to the heart of what makes an online marketing campaign effective. Whether you are either active on social media or have never had a Facebook account, this book will lead your social media marketing campaign every step of the way—through building your account and improving your profile, to posting content that your audience will want to connect with, and the different ways to advertising and promoting your brand for more views and followers. We will look at Facebook, YouTube, Instagram, LinkedIn and Twitter, in this book and show you that given the fierce competition, social media marketing can be effective in your business. A strong presence on social media is something that the company can't afford to miss. Continue reading to see how to create a plan that will bring thousands of followers to your profile instantly. Instagram Marketing Algorithms The way brands communicate with their existing and target audience has undoubtedly transformed. One of the main reasons for this transformation is the increase in the popularity of social networking platforms. These days, an increasing number of brands are using visual media for communicating their brand's message. Social media has certainly revolutionized our lives. Instagram has stood the test of time and is now one of the most popular social networking platforms today. So, if your brand isn't already on Instagram, then there is no time like the present to get started. Instagram has been around for a while, but not a lot of people know how to make the most of its features. The creators of this platform keep introducing new features along with changes to the algorithm. So, it is quintessential that you stay on top of all the updates. In this book, you will learn

about the things you need to increase your following on Instagram so you can maximize your profits. You will be given information about the different benefits you can reap by using Instagram. You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand's Instagram profile. Apart from this, you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience. Marketing on Instagram and how you can increase your following are also discussed in detail in this book. A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer. You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world. Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers, make sure that it stays consistent with your brand rather than straying away or showing things that just don't go together. Use your brand or company name in hashtags: the hashtags that you pick don't have to be complicated. If you already have a pretty good following on Instagram, or your brand name is well known, go ahead and use this as one of your hashtags. This will make it easier for your followers to find you because they can just search the name and find some of your posts. Make a follower famous: it is not just about your followers checking out your posts, it is about how you interact with your followers. Take the time to look over the pages of your followers and then like and share some of their posts. This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page. Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not. So, if you are ready to learn more, then let us get started immediately!

Praten met vreemden Malcom Gladwell 2019-10-15 In 'Praten met vreemden' laat Malcolm Gladwell zien dat het regelmatig misgaat als we geconfronteerd worden met onbekenden. Steeds weer blijkt dat we totaal niet toegerust zijn om vreemden open en

onbevooroordeeld tegemoet te treden. We schatten mensen verkeerd in, herkennen leugens vaker niet dan wel, interpreteren gezichtsuitdrukkingen niet goed en blijven hangen in onze eerste indruk. En de conflicten en het onbegrip die daar het gevolg van zijn, hebben een diepgaand effect op onszelf en op de hele maatschappij. 'Praten met vreemden' is een klassieke Gladwell: een intellectueel avontuur waarin de auteur ons meeneemt op een reis langs verwarrende ontmoetingen, ingewikkelde puzzels en fatale misverstanden. Gladwell analyseert waar het misgaat en leert ons zo steeds iets meer over de ander - maar vooral ook over onszelf. Een meeslepende gids voor moeilijke tijden.

2020-11-17 In dit boeiende, langverwachte eerste deel van zijn presidentiële memoires vertelt Barack

Obama het verhaal van zijn onwaarschijnlijke odyssee van een jongeman die op zoek is naar zijn identiteit tot de leider van de vrije wereld. Hij schrijft in buitengewoon persoonlijke bewoordingen over de jaren waarin hij politiek werd gevormd en over de bepalende momenten in de eerste termijn van zijn historische presidentschap - een roerige periode vol dramatische veranderingen. Obama neemt de lezer aan de hand op een fascinerende reis, die voert van zijn eerste politieke aspiraties en de cruciale overwinning in de voorverkiezingen van Iowa - waarin de kracht van grassroots-activisme aan het licht kwam - tot de revolutionaire avond van 4 november 2008, toen hij werd gekozen tot 44ste president van de Verenigde Staten en daarmee de eerste Afro-Amerikaan werd die het hoogste ambt in het land zou bekleden. In zijn bespiegelingen over het presidentschap toont hij op een bijzondere en scherpzinnige wijze welke mogelijkheden en beperkingen presidentiële macht met zich meebrengt, en daarnaast biedt hij ons een uniek inzicht in de dynamiek van de Amerikaanse partijpolitiek en de internationale diplomatie. Obama neemt de lezer mee tot in het Oval Office en de Situation Room van het Witte Huis, maar ook naar steden als Moskou, Caïro en Peking. We zijn getuige van zijn overwegingen bij het samenstellen van zijn kabinet, hoe hij worstelt met een mondiale financiële crisis, Vladimir Poetin inschat, schijnbaar onoverbrugbare conflicten beteugelt om zijn wet op de gezondheidszorg te verwezenlijken, botst met zijn generaals over de te volgen strategie in Afghanistan, hervormingen op Wall Street doorvoert, doortastend optreedt na de ramp met de Deepwater Horizon en opdracht geeft tot Operatie Neptune's Spear, die leidt tot de dood van Osama bin Laden. Een beloofd land is een bijzonder intiem en persoonlijk boek - het verhaal over een man die historische beslissingen neemt, over het rotsvaste geloof van de opbouwwerker die op de proef wordt gesteld op het wereldpodium. Obama is openhartig over de moeilijkheden die hij ondervond toen hij als zwarte

Amerikaan president wilde worden, waarbij hij de verwachtingen verpersoonlijkte van een generatie die werd geïnspireerd door de boodschap van hoop en verandering en de morele problemen trotseerde die besluitvorming op het hoogste niveau met zich meebrengt. Obama is openhartig over de krachten die hem in eigen land en elders tegenwerkten, eerlijk over de invloed die het verblijf in het Witte Huis had op zijn vrouw en kinderen. Daarnaast is hij niet terughoudend in het delen van zijn onzekerheden en teleurstellingen. Toch wijkt hij nooit af van zijn overtuiging dat binnen het geweldige, zich voortdurend ontwikkelende Amerikaanse experiment vooruitgang altijd mogelijk is. Dit fraai geschreven en krachtige boek getuigt van Barack Obama's inzicht dat democratie geen geschenk van boven is, maar iets dat is gestoeld op inlevingsvermogen en wederzijds begrip, iets waaraan we samen voortbouwen, elke dag weer.
