The Man Who Murdered Himself Richard Fliegel 2014-07-01 Cured to death. The posh, idyllic Care Clinic promises to cure such twentieth-century afflictions as eating disorders, substance abuse, and low self-esteem. But when Shelly Lowenkopf and Homer Greeley—two former detectives from the Bronx—begin to investigate the whereabouts of one of the clinic's most loyal patients, they're in for some shocking treatment. A maniacal director browbeats patients and staff alike. A beautiful blonde picnics with a chimp and listens to Disney songs on a crank phonograph. And a bunch calling itself the Church of the Unflagging Eye worships the television set and everything on it. For Lowenkopf and Greeley, it would be just another missing persons case—if people weren't suddenly turning up dead. Now the two detectives must solve a horrible killing before murder becomes the clinic's nastiest—and most stubborn—habit. The Man Who Murdered Himself is the 7th book in the Allerton Avenue Precinct Novels, but you may enjoy reading the series in any order.

Spiritual Truths and Experiences of Life After Death Gert Niemand 2013-01-18 Most of the information in this book came from Angels and Spiritual Masters, who are living in the greater World of Spirit. Therefore, I would like to thank all the Angels and Masters who came down to do their work for God in Love and with Love, and all their helpers, who helped me to fulfill an oath I made. During an out of the body experience, while standing at Mountain Zion in the Presence of God, I promised Him that I would tell all the people the truth about Him and His Spiritual Messengers, the Angels and other life in the Spirit World. All the Angels and Masters spoken to have nothing but Love for God, their fellows spirits, all of Mankind and the Animal Kingdom. Life as we know it, continuo after death in a slightly different format, and regardless of what we say or believe every one of us knows deep in our inner being that we came from the world of spirit, and we knows deep inside ourselves that Reincarnation does not exist, we must accept, without fear and prejudices of what we say or believe, we know within ourselves about the Presence of God! I have used most of these short stories as talks during church services, because Angels advised me what to write down, and to use what they have shown me in the world of spirit, as the talk. Therefore, most of the information in this book is from spiritual beings, they are the real authors of this book. I am just an instrument used by them as a voice box in the wilderness of Babel, to explain some of the wonderful stories we read of in the bible. In this way am I also complying with the vow I made to God.

Adam Levin 2011-09-01 'Adam Levin's book is the real thing, I think. It appeals to the young readers who like formal invention and ambition... But there's also real substance there.' Dave Eggers This is the story of Gurion Maccabee, age ten: a lover, a fighter, a scholar, and a truly spectacular talker. Gurion has been expelled from three Jewish day-schools for acts of violence and messianic tendencies. He ends up in the Cage, a special lockdown program for the most hopeless cases at Aptakisic Junior High. But in just four days, from the moment he meets the beautiful Eliza June Watermark to the terrifying Events of November 17, Gurion's search for righteousness sparks a violent, unstoppable rebellion. Driven equally by moral fervour and teenage exuberance, The Instructions is hilarious, troubling, empathetic, monumental, breakneck, romantic and unforgettable. 'Evocative of David Foster Wallace... full of death-defying sentences, manic wit, exciting provocations and simple human warmth.' Rolling Stone 'This is a life-consuming novel, one that demands to be read feverishly. When it is over, other fiction feels insufficient, the newspaper seems irrelevant...' New York Observer 'A hysterical, heartfelt journey of self-discovery... A book that moves beyond completely transparent influences to reach its own distinct, new, great height.' Village Voice 'Manic, articulate, full of passions, courageous in its form and very funny.' George Saunders
