Referred to daily by millions of pastors, students, church leaders, and other Bible readers around the world, the renowned Zondervan NIV Study Bible notes are the crown jewel of the world's best-selling study Bible. These over-20,000 notes are

the handiwork of the same translation team that produced this Bible's text, the New International Version. The same exacting, conservative scholarship that brought you today's most read, most trusted Bible translation went into creating the most celebrated, widely used Bible study notes in existence. Why improve on what's already outstanding? Because now it can be made even better. In the years since the 1985 publication of the first Zondervan NIV Study Bible edition, ongoing discoveries in archaeology, linguistics, biblical history, and other disciplines have suggested the need to revise the notes. Drawing on the most current scholarship, the world-class team who first created the study notes now present comprehensive revisions and additions that bring the notes thoroughly up to date. With all the changes to the study notes, however, one thing has remained

unchanged---the time-tested, trusted text of the NIV itself. You'll be pleased with the results. If you found the original notes indispensable in clarifying obscure Bible passages and shedding light on the meaning and significance of Scripture, you'll love how these revised and expanded notes add even greater depth to your study of God's Word. The New International Version (NIV) is today's most read and most trusted English Bible translation. The goal of the NIV translation team was to produce an accurate translation and one that would have clarity and literary quality and so prove suitable for public and private reading, teaching, preaching, memorizing, and liturgical use. Today the NIV is accepted by more denominations than any other translation and is supported by a library of reference resources that is unmatched by any other translation. Over the last
